Our Lady's Secondary School Information for 3rd Year Parents 2023 - 2024

Dear Parent / Guardian,

We wish you a very enjoyable summer. As we have successfully completed a challenging school year, we are providing you with the following important information regarding your child's education for next year. You should find enclosed a provisional calendar for the new academic school year. In this calendar, you will find key dates such as school holidays, parent-teacher meetings, house exams, and other events. Some of the dates of the events included in the calendar may need to be changed depending on Public Health guidelines and advice, and we will keep you informed of any changes throughout the year.

3rd year will see the students for the first time doing their Mock Exams and preparing for their Junior Cycle State Exams in June. They will also be completing classroom-based assessments (CBA), in their subjects as part of the Junior Cycle. The CBA's will take place during scheduled periods, in the school year and the assessment grade will be given by the class teacher. CBA's are worth 10% of the overall subject assessment grade. The Junior Cycle Certificate will also include their "Profile of Achievement", where the student is given official recognition by the school for their participation in extracurricular activities over the Junior Cycle Programme.

We fully appreciate that August can be an expensive time of year for parents. At the beginning of the school year we kindly ask you to pay a €50.00 Administration fee to cover the following expenses for your child; 24hr Pupil Personal Accident Insurance, School Journal, general administration, and photocopying, etc. **3rd year students will return to school on Wednesday 30th August.**

We hope that you will find this information helpful, however, if you have any queries please make contact with us and we will be happy to help. I would like to wish you and your family well, as we look forward to working with you in supporting your child's education for the coming year.

Is mise le meas,

Edmund Holmes, Principal

General Information

What to do if?

Your son/daughter has to leave school early for an appointment.

A parent should ring the school secretary and/or send an email to info@ourladysbelmullet.ie indicating the nature of and time of the appointment. Also identify the name of the person who will be signing the student out from the office.

Before the student leaves the school a Parent or Guardian must sign a Record book in the office.

Please note that, it is essential that the student is collected by a parent or guardian from the school as under Health and Safety and Child Protection, the school cannot allow a student to leave the school with a person other than a parent or a guardian.

Any incident of a student leaving the school premises without having gone through the correct procedures will be treated as a serious breach of the Code of Behaviour.

You need to make contact with your son/daughter.

We kindly ask you not to communicate with your child through their mobile phone during the school day. This is to minimise disruption in classes for teachers and students. Please call the school office (097 81157) and your child will call you back from the office phone.

Your child becomes ill during the school day.

If your child becomes ill during the day, they should present themselves to the office and a member of staff will contact you to decide on the best course of action. **We kindly request that you do not accept calls or texts directly from your child on their own phone to leave school due to illness**, because often this can be done without school staff being aware of it. Should you receive such a request, we ask that you ring the office and check out the situation before you make the journey to collect the student. This is essential as it enables us to keep the Attendance records as accurate as possible.

School emails & Parents emails. Communication with parents.

All students are given a school based email account. This allows notes and classwork to be shared with the students by the teachers in Google Classroom. Only the student's school based email account can be used for school purposes.

For Parents, a school based email account can be set up also if one is required. However, if preferred, a parent's personal email account can be used to communicate with the school.

Parents can request access to their student's Google classroom account by sending an email to info@ourladysbelmullet.ie

The school will sometimes communicate with parents through text sms and/or email.

Please inform the school office if your phone number or email has changed from the one on file.

Appointments with teachers:

Parents are always welcome to meet any of the school's teaching staff in order to discuss a pupil's progress or to discuss a problem that may have arisen. Parent Teacher meetings will be held for all year groups. Parents who wish to see the Principal, Deputy Principal or Year Head are requested to telephone for an appointment (097) 81157. Only in exceptional circumstances will it be possible to see parents without prior notice.

Principal	Mr. Edmund Holmes
Deputy Principal	Ms. Geraldine Walsh
Guidance Counsellor	Mr. John Reilly
SEN Co-Ordinator	Mr. Vincent Monaghan
Programmes Coordinator	Ms. Hanoria Hough
Home School Community Liaison	Ms. Edwina Mangan
Year Head: 1st and 2nd Year	Ms. Alison Carey
Year Head: 3rd and 4th Year	Ms. Katie Healy
Year Head: 5th and 6th Year	Ms. Holly McAndrew

Anticipated Costs for 3rd Year

In order to help parents to budget for the costs of your child's needs in 3rd Year, we are providing you with a list of anticipated expenses during the year. Should you wish to make alternative payment arrangements, please contact the Principal and we will happily accommodate you.

Approximate Amount	For / Description	Period due
€50.00	Admin fee.	Sept / beginning of year.
€120.00 approx	Mock Exams	Late January/Early Feb
€40.00 per term	Evening study (optional)	Sept, Jan, April
€3.00	Away games requiring bus	Ongoing. usually about 10 per year

Please note. There will be additional fees for Practical Subjects such as Metalwork and Woodwork.

Sometimes there may be class arranged activities that a student requires funds for such as, school trips that require bus fees. Usually the cost is between €10 and €20. Should this happen, you will be given prior notification and the full details of the activity will be provided on a permission slip to be signed by you.

You should not be getting requests for money from your child for school activities that you have not been made aware of by the school. If you need any clarification, please contact the school.

Lunches:

Since the school entered into DEIS, every student receives a **free lunch** each day provided by a company called Fresh Today. Students will receive snacks and fruit at the morning break and a hot meal in the afternoon break.

Student Journal:

The student Journal is the primary means of regular communication between the school and home. Students use their journal for the following:

- Keeping a diary of their homework and/or work done in class.
- Providing notes to explain absence or reasons for leaving the school.
- Allowing parents to communicate with the teachers or the school.
- Informing themselves of the Code of Behaviour policy.
- It contains the school calendar and key dates.

Parents are asked to familiarise themselves with, check and sign the student's journal each weekend.

Homework:

Homework is the practice of learning, reading over what has been learned in class and the reinforcement of this information. It may take the form of reading, written exercises, research or other as informed by the relevant teacher. Typically, 3rd year students should be spending approximately 2:15 hr each night or 25 mins per subject doing homework. They should also complete on average 6 hours of study per week. It is advisable that the weekend be used to catch up on study.

Uniform:

The school uniform is used to promote a sense of identity and unity among students and prevent competition in dress. It is important that students adhere to the uniform code.

The ***School Uniform is:***

- Grey Trousers. Skirt optional for girls
- White Blouse/Shirt or White Polo Shirt.
- School Jumper with crest or school sweatshirt
- Black shoes or black runners

- School trousers and shirts/polo shirts are available to purchase from McAndrew's Drapers, Belmullet.
- School sweatshirt is available to purchase from the online shop (details of which can be found on www.olssbelmullet.com)

It is advisable to have your child's name written on the tag of their school jumper.

Physical Education (PE) is a mandatory subject in the school and is part of the Wellbeing programme designed by the Department of Education and Skills. We ask that you respect this and that your son/daughter brings the correct clothes in which to do their PE lessons.

Mobile Phone Use:

While students are allowed to carry mobile phones in the school, **they must be turned off between the start of the first and the end of the ninth class period**. Students who repeatedly infringe this rule will have their phone confiscated. Occasionally students may, under the instruction of their teacher, use their phone in class for educational purposes.

Child Protection:

Our Lady's operates its child protection policy in line with the Child Protection Procedures 2017. The Designated Liaison Person (DLP) is the School Principal, Mr. Edmund Holmes and the Deputy Designated Liaison Person (DDLDP) is the Deputy Principal, Ms. Geraldine Walsh.

School Policies:

Copies of all school policies are available to parents upon a request in writing.

Absence Procedures:

Good attendance and participation is critical to the progress your child will make in secondary school. Every effort should be made to ensure that your child attends every day.

Parents/Guardians are obliged by the Education (Welfare) Act 2000 to give a written explanation to the school for each absence. If your child is absent for a day, a note provided in the back of the school journal should be completed by you to explain the absence. Students must present a written note in their journal to their Class Tutor on the day of return to school. If a prolonged period of absence is expected, it would be helpful if the school was informed beforehand. Students will be able to access class content and homework online on their Google Classroom accounts.

Lockers:

A school locker is optional but very convenient since it means that students can keep their personal belongings in a secure place. Lockers can be rented for **€5** for the school year.

Scéim Aitheantais na Gaeltachta:

As part of the Gaeilge Iorrais North Mayo Language Plan 2018, our school has put a 3 - 5 year plan in place to support the development of the Irish language into the future. Part of this will mean that the 2nd year students will have the option to do one subject through the medium of Irish. CSPE (civic social and political education) is offered to Junior Cycle students in both Irish and English.

Evening Study:

Supervised Evening Study is made available to students for periods of time throughout the year depending on demand. It takes place on Tuesday and Thursday from 4:15 pm to 6:00 pm. It is a valuable opportunity for students to get homework and study done in a supervised environment prior to going home. All students are encouraged to take part, not just Leaving Cert and Junior Cert students. There is a nominal fee of €40 per term for evening study.

Layout of the School Day:

The school day commences with 1st class at 9:00 am. From 9:40 am - 9:50 am students will meet their tutors for registration. Morning break is from 11:10 am - 11:25 am except on a Wednesday when lunch

will be served from 11:10 am to 11:30 am as shown in the table below. Students can use the Canteen in the morning before school and at lunchtime.

Daily Schedule 2023 - 2024		Timetable Grid			
	Monday	Tuesday	Wednesday	Thursday	Friday
9:00 - 9:40	1st class	1st class	1st class	1st class	1st class
